To whom it may concern

Dear Sir / Madam,

I am writing to wholeheartedly recommend **SOMPRAKORB SYSTEMATIC CO., LTD** for your Consultation on ISO Certification Services at your company. As the Property Manager at Hongkong Land (Premium Investments) Limited, I have had the pleasure of working closely with Mr Sopheak Chea for over 8 months and have consistently been impressed with their exceptional service and professionalism.

SOMPRAKORB has been our go-to source for our ISO 45001 and ISO 14001 Certifications since August 2023 and we will likely be doing the same (including refreshment trainings) till the end of certification in 2026. Their commitment to quality and attention to detail is evident in every certification they have handled for us. Whether it was supporting documents or trainings, they have always delivered outstanding results on time and within budget.

One particular instance that stands out is their presence during the ISO Certification Audit. Their ability to support us (and the Auditor) in understanding the local requirements and what are necessary for the Certifications were exceptional, significantly contributed to the success of the Certifications.

I am confident that SOMPRAKORB will bring the same level of excellence and dedication to your organization as they have to ours. Should you require any further information or specifics regarding their work with us, please do not hesitate to contact me.

Sincerely,

Andy Lim

To Whom It May Concerns:

As a professional customer, I had the pleasure of working with Somprakorb Systematic Co., Ltd. for our ISO 9001:2015 certification process. From the initial consultation to the final audit, the experience was nothing short of exceptional.

Expert Guidance: The consultants provided in-depth knowledge of the ISO 9001:2015 standards, tailored to our specific industry needs. They were not only well-versed in the requirements but also offered practical solutions that aligned with our business objectives.

Customized Approach: Somprakorb took the time to understand our organization's unique processes and challenges. Their customized approach ensured that the implementation was relevant and achievable, significantly reducing the stress typically associated with certification. The consultants conducted a thorough assessment of our existing processes, identifying areas for improvement while aligning them with ISO standards. Their structured approach included comprehensive training for our staff, which empowered our team to embrace the quality management principles effectively.

Comprehensive Training: The training sessions were thorough and engaging, equipping our team with the necessary skills to maintain compliance and improve quality management practices. The trainers were approachable and always willing to answer questions, fostering a collaborative learning environment.

Ongoing Support: What stood out was their commitment to ongoing support. Even after achieving certification, Somprakorb remained available for guidance, helping us continuously improve our quality management system.

Thanks to their expertise, we successfully achieved ISO 9001:2015 certification within the projected timeline. The process not only enhanced our quality management practices but also boosted our credibility with clients and stakeholders.

I highly recommend Somprakorb Systematic Co., Ltd. to any organization seeking ISO 9001:2015 consulting services. Their professionalism, expertise, and dedication make them an invaluable partner in the journey toward quality excellence.
